Year 6 update

Our year 6 pupils have worked extremely hard and shown true resilience, which will help them make a great start at high school. They should be very proud of the progress they have made this year. The test timetable for next week has been added to the website for your information.

As usual, we have planned an end of year bowling treat for them to enjoy. We have also planned a couple of other events. On Friday 12th May, year 6 pupils can come to school in OUTDOOR P.E. kit (tracksuit or similar with trainers) for a sport - themed day. We will be providing juice and biscuits. If your child cannot have these refreshments, please speak to us.

On Wednesday 17th May, we have organised a photographer to come to school to take a year 6 photograph. The pupils have voted to wear non-uniform for this. They should choose appropriate clothing and footwear but can wear them for the whole day to avoid fetching their uniform in a bag.

Once the tests are over, we will work on areas in Maths and English which will prepare them for September. We have also planned DT and Art work and extra Science sessions. The improved weather should also be an opportunity for extra P.E.

Class 6P has a parents' showing assembly where you will be able to see some of the amazing work the pupils have done.

Thank you for your continued support.

Joanne Prentice and Lucy Hyett
